

Play My Way
Classroom Edition

What Makes Play My Way Amazing?

- Helps you empower teachers and students
- Lets you in on everything you need to know about students' performance
- A great way to integrate technology into school!

Stay Informed

- Learn about which teachers are performing best
- Identify problems and gaps in the curriculum
- Monitor progress of classes and individual students

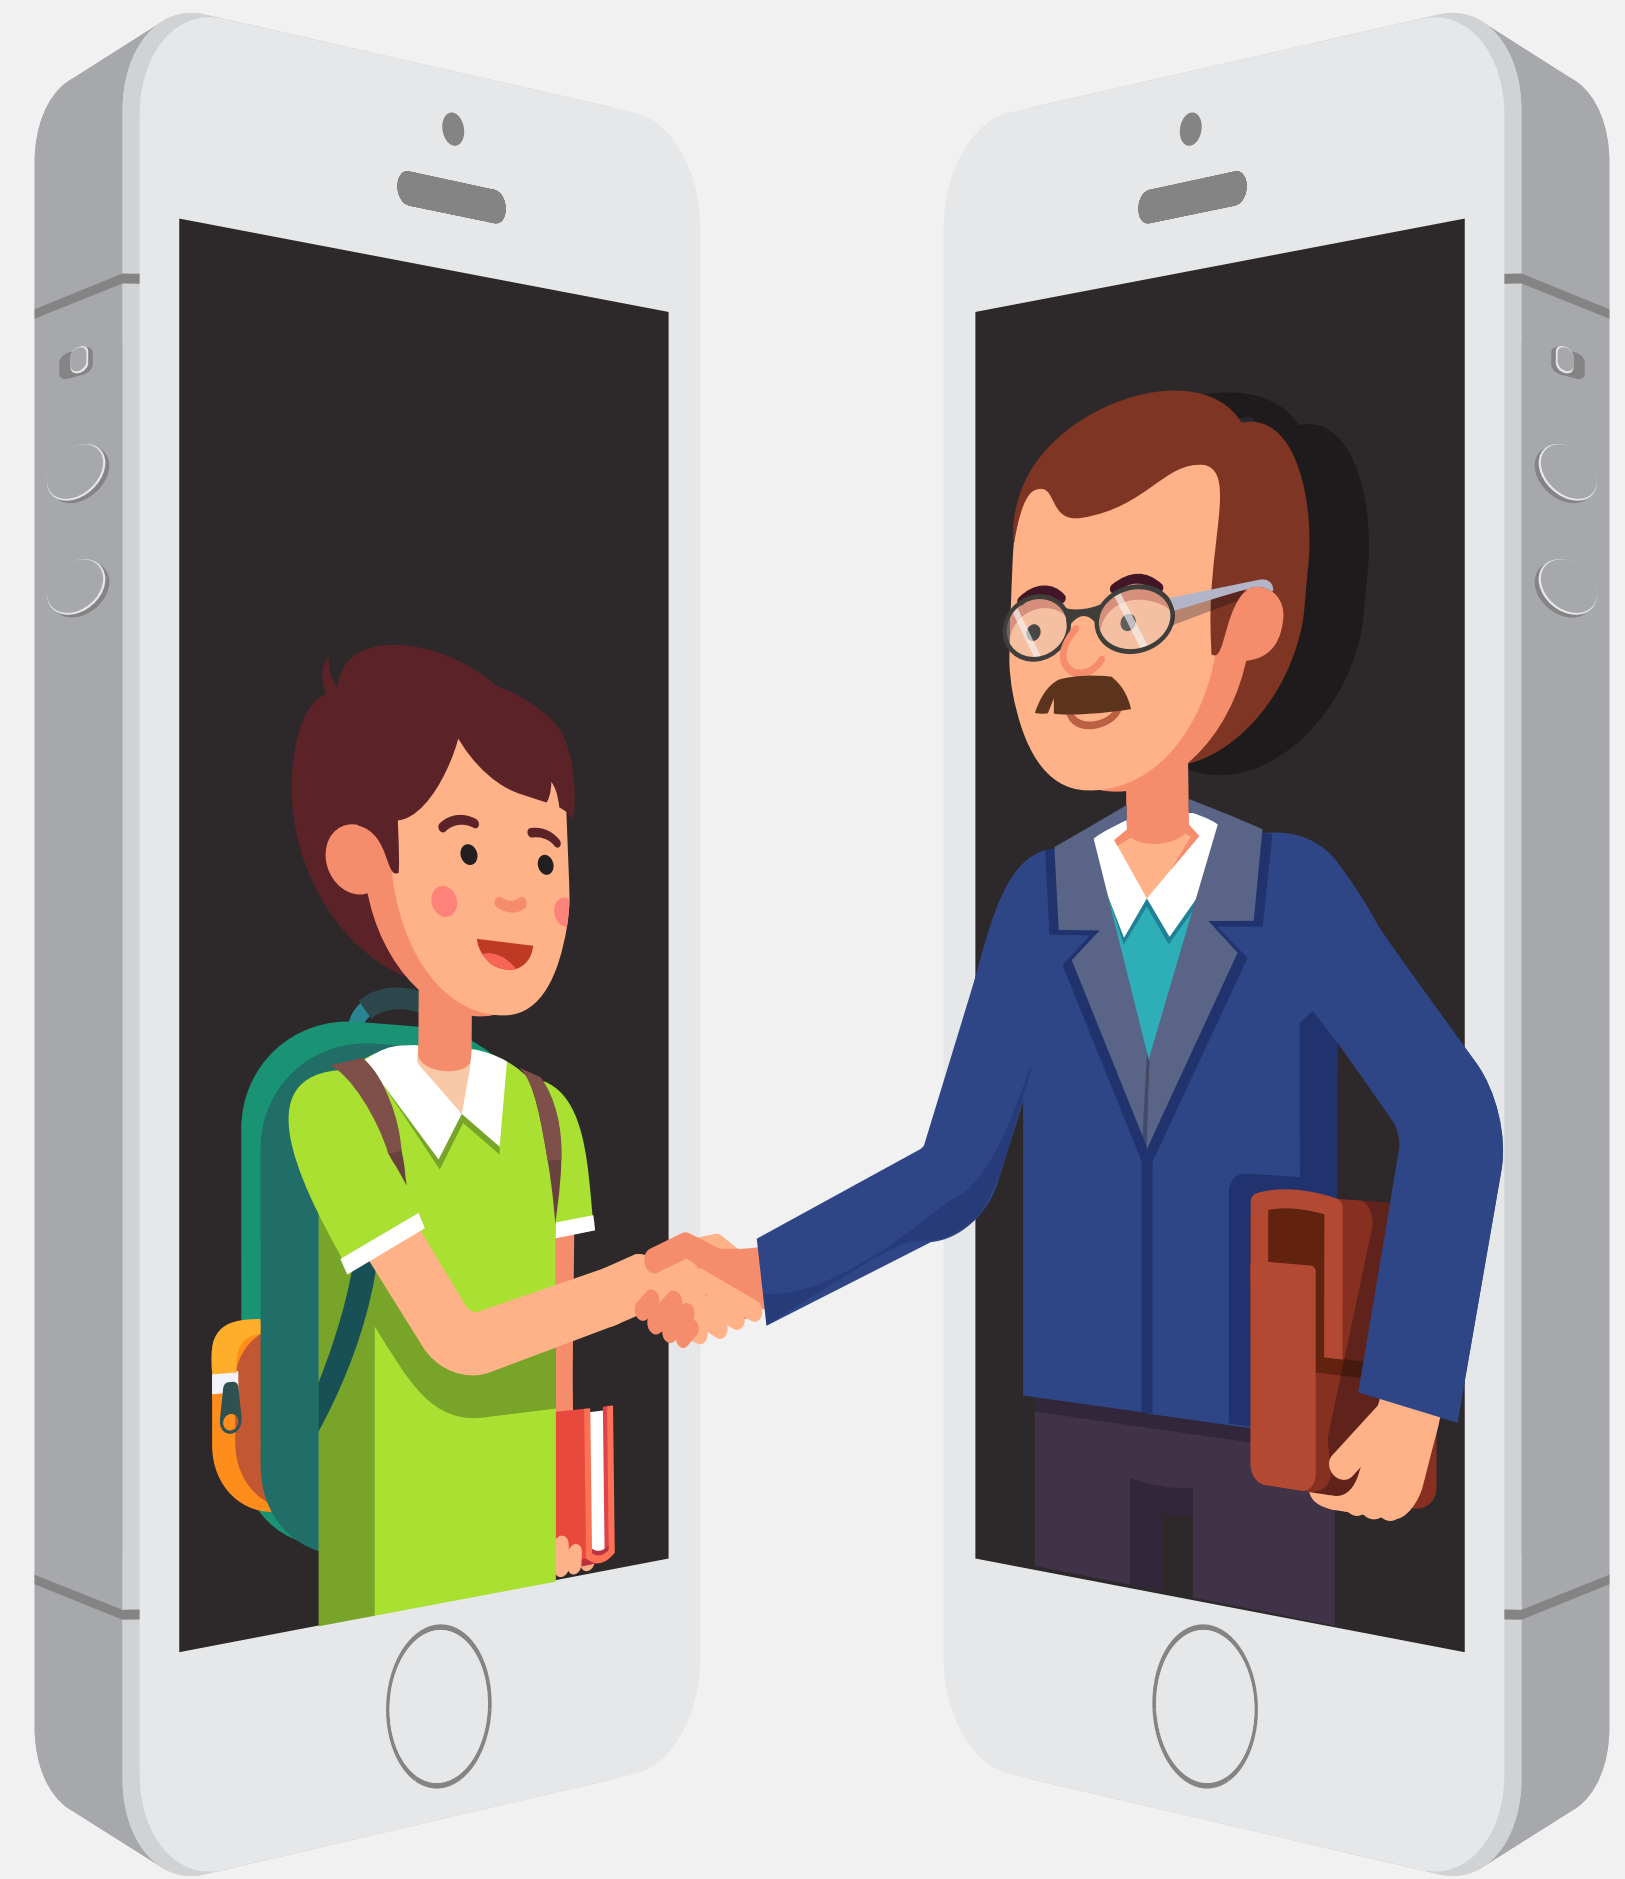

Manage Your School

- Add classes and users (teachers, students, coordinators...)
- Engage parents in the teaching and learning process

Bridge the Gap

- Bridge the gap between students and teachers, the digital immigrants, and digital natives
- Introduce educational technology in its most practical form

Tips for Getting Started

1. Go to www.playmyway.com/schools
2. Sign in with your username and password
3. Start managing your school!
