

**Play My Way**  
*Classroom Edition*

# What Makes Play My Way Amazing?

- Homework comes right into your hands with one click
- You get to play what you are doing your homework, and your parents will love it!
- You are in control! you get to choose how to do your assigned work, and you get to do it on your phone.

# Do Homework Your Way!

- Get your homework on your device, no more paper and pencil!
- Choose how to complete your assignment (during games or separately)
- Get your grade instantly! no more waiting.
- Know your points of strength and weakness.

# Break it into Pieces

- Break large assignments into small chunks, make them easier!
- Use hints to help you solve questions
- Get ready for your quiz or exam while you are using your phone

# Have Fun!

- Study while you play
- Earn badges for every achievement you complete
- Use hints to make solving questions a lot more fun!

# Tips for Getting Started

1. Download Play My Way app (available in iOS and Android)
2. Sign in or create an account
3. Scan the QR code or use the rescue code provided by school
4. Start solving questions!

1. Go to [www.playmyway.com/schools](http://www.playmyway.com/schools)
2. Write the rescue code of the quiz or assignment
3. Start solving questions!

# Thank you
