

Play My Way

Classroom Edition

What Makes Play My Way Amazing?

- Saves you a lot of test planning and conducting assessment
- Helps teachers cater to student needs and improve learning
- Informs instruction and planning

Save Time!

- Save time writing new questions for your quizzes
- Save time marking quizzes and writing feedback
- Save time analyzing student performance and comparing it

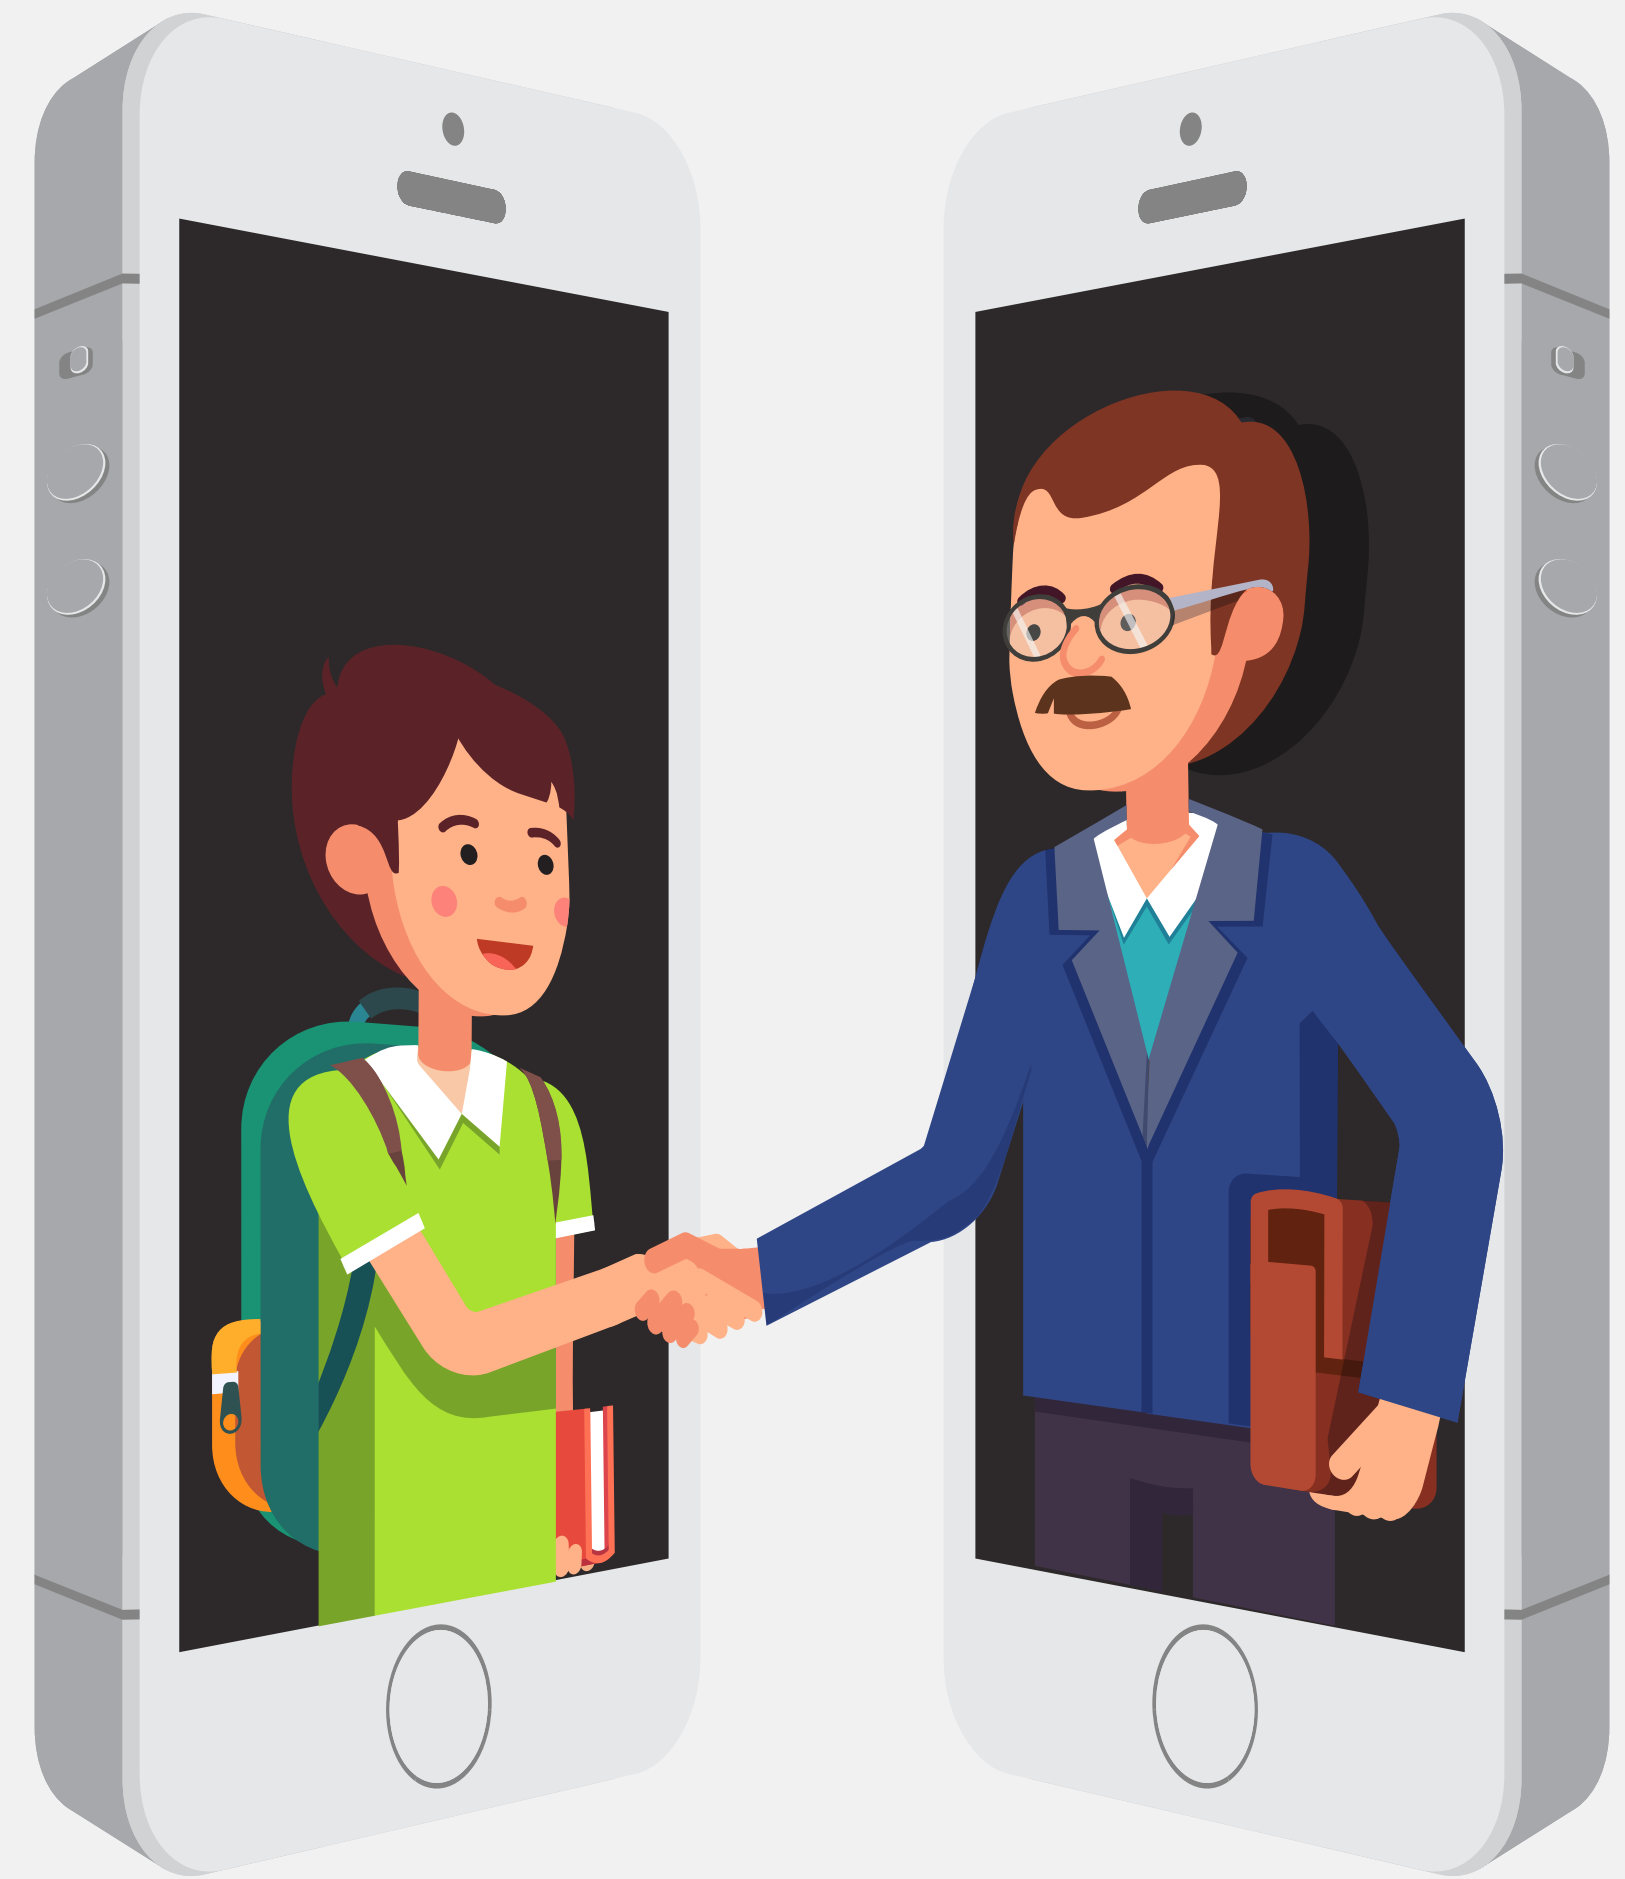

Stay Informed

- Learn about student progress and reward it
- Learn about points of strength (to reinforce) and points of weakness (to improve)
- Learn about topics that you need to reteach

Bridge the Gap

- Bridge the gap between yourself and your students by using technology
- Bring learning to what students love!
- Integrate technology into your teaching in a very practical way

A New Bag of Tricks

- 50,000+ curriculum-based questions in Math, Science and English
- Assign “*review questions*” based on your students’ performance
- Reward good performance with badges
